

COTTONWOOD

One Bedroom, One Bath
577 Sq. Ft.

For those looking for separate living spaces, at 577 sq. ft., the **Cottonwood** floorplan provides a lovely one-bedroom option. The kitchen is set apart from the main living room, and the cozy and warm bedroom is tucked back away from everything. You will love the convenience of the walk-in closet with a washer/dryer hookup. Features include a kitchenette with stainless steel appliances, a big bathroom with an oversized shower, and quartz countertops.
